Seaford, VA - Sheriff J.D. “Danny” Diggs today, released the following statement regarding Sen. Monty Mason’s decision to block tax relief to working families.

“After facing skyrocketing prices, bloated costs at the pump, and limited supplies at the grocery store, Senator Monty Mason today blocked tax relief for Virginian working families. Senator Mason continues to remain out of touch with the working people of Virginia while bowing down to the extreme left wing of his party. It is time that the people of the Peninsula have a Senator who will get real relief for working families. As your next Senator, the people of the 24<sup>th</sup> Senate district will have a Senator that puts their interests before special interests.
